The Night Before Christmas Commemorative Coin

A new Christmas keepsake that is certain to become part of every collector's holiday traditions, The Night Before Christmas Commemorative Coin features astonishing artwork inspired by greeting card illustrations of the mid-19th century.

This fine silver coin displays to impress with an edgeless design that is a PAMP signature. A distinctive 'antique tarnish' finish imparts Old World charm to the surface, rendered in exquisitely detailed, high relief. The famous 19th century poem by Clement Clark Moore that inspired this coin is included in full within the Certificate, making this exceptional coin, and Christmases present and future, brighter and more memorable.
