

Heavenly

Prayers on Angels' Wings

Annual Fine Silver Coin Series

Wrapped in light and resplendent in Heaven's glory, angels are beloved by countless human beings around the world. Messengers of Divine Will and watching over the affairs of all living creatures that dwell on earth, angels are deeply trusted as guardians and protectors. Indeed, the belief in 'guardian angels' extends far beyond boundaries of faith or religion, and for centuries seemingly infinite representations of them have adorned homes, jewelry and other artifacts, as well as to this day.

With that in mind, PAMP is pleased to introduce an original series of legal tender, fine silver coins bearing dazzling imagery of angelic magnificence – one

coin per year. Each masterfully minted coin features a uniquely rendered angel, its marvelous wings curving along the coin's edge to frame the design within. To impart the artwork with otherworldly radiance, PAMP has deftly applied an exceptional 'virtual gold' finish to the wings that is almost as dazzling as the sun itself.

As if in response to a heartfelt prayer, a simple message of hope or inspiration is beautifully engraved along the edge, further distinguishing each annual issue from the next. The coins of the Heavenly series are ideal collectibles or gifts suitable for any time of the year, and are certain to bring pleasure for years and years to come.
